

INDY Robotics Workshops Information

Workshops will be held throughout the semester as an opportunity for teams to come and brainstorm, build, and practice with their robots. There will be rooms designated for collaboration and building with teammates and also a room with the competition fields so teams can practice controlling and maneuvering their robots. There will also be occasional presentations which will cover various topics related to building and troubleshooting your robots. **All workshops will be from 10 am – 2 pm.**

Workshop Dates:

- Saturday, July 25th
- Saturday, August 15th
- Saturday, September 19th
- Saturday, October 17th
- Saturday, November 7th

Location:

- The workshops will be held at Shortridge High School, located at 3401 N. Meridian St., Indianapolis, IN 46208
- The distribution of robotics kits will occur in the gym on the 2nd floor on **July 25th**
- The rooms used for collaboration and practice are 215, 217, and 219

Parking:

- You may park at the William Bell School 60 parking lot across 34th St.

Unloading Heavy Equipment:

- If your team has any heavy equipment that needs to be moved, you may drop it off on the north side of the school. There is a pathway between the school and the football field/track where you may drive to drop it off. Once you drop it off you can use the service elevator nearby to go to the 2nd floor.

Navigating the School:

Please use the following 2 pages of maps to help navigate the school

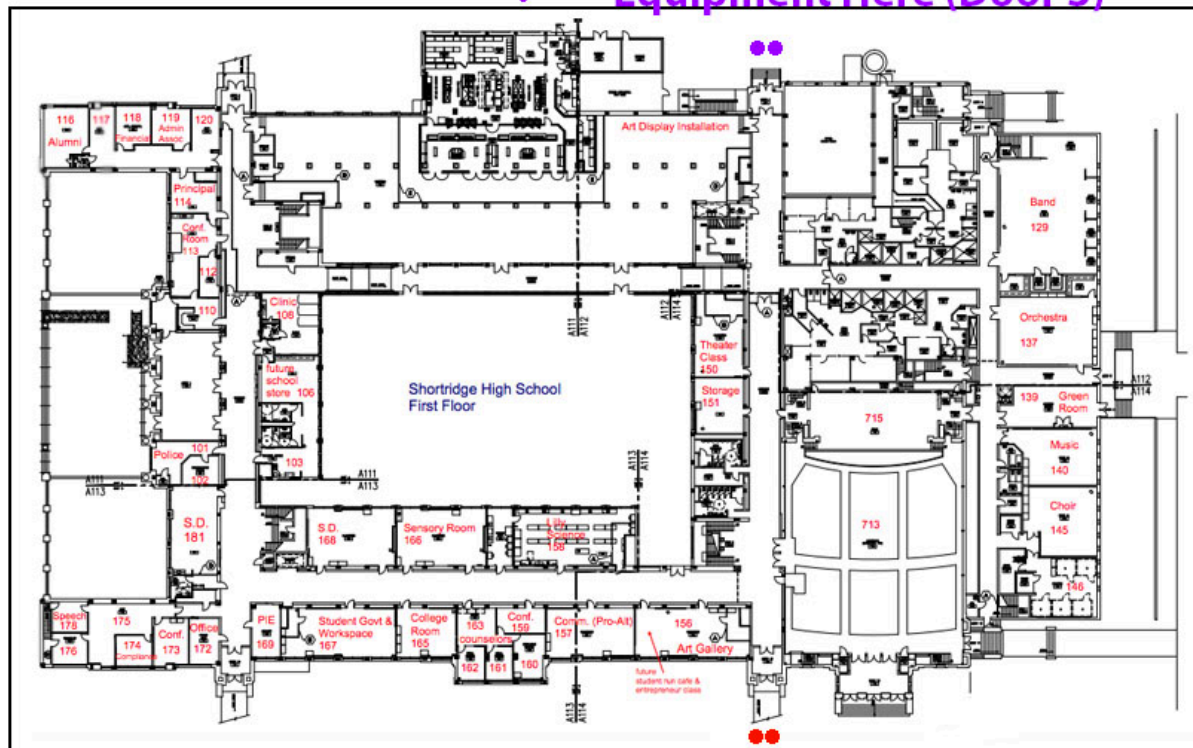

The first map shows where to park and nearby streets.

The second map shows a detailed floor plan of the 1st floor. The **purple** line shows the route to the service elevator. The **red** line shows the route to the closest stairs if walking from the parking lot.

The third map shows a detailed floor plan of the 2nd floor. Marked, is where the gym is for the distribution day (**July 25th**) and also where the three robotics rooms are.
